

Voyager®

Blind Zone Solutions

MIRRORS ARE A DRAG!

OEM & fleet testing results shared that a truck can realize a .75% to 1.5% fuel economy gain through the removal of the front fender mirrors.

Voyager® Heavy Duty side cameras can make this possible without sacrificing fleet safety.

INCREASE FUEL ECONOMY

and **IMPROVE DRIVER SAFETY** with
VOYAGER® BLIND ZONE™ SIDE CAMERA SYSTEMS

E X P A N D your vision

Voyager[®]

Blind Zone Solutions

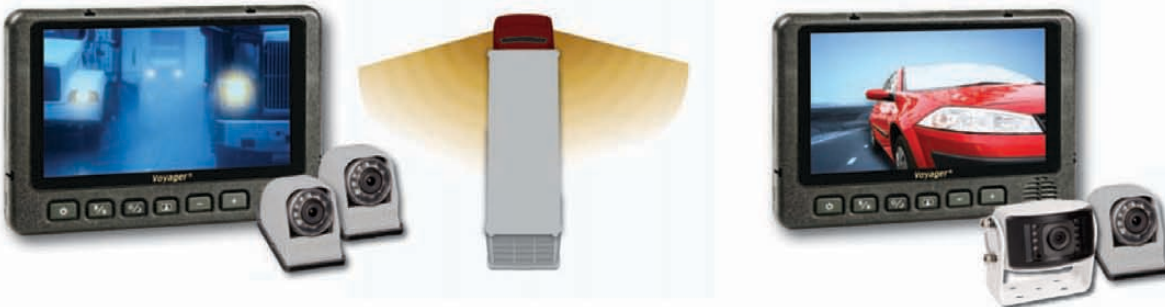

A decrease in drag means an increase in ROI; expediting the pay-off when adding these proven safety systems.
