COMFORT YOU CAN RELY ON

ADMIRAL CT

with BackCycler®

COOL COMFORT

LONG HAUL

- The Admiral CT features our exclusive ComforTEK seat ventilation system that circulates air in the cushion and back keeping you cooler and able to run longer.
- The HP air suspension of the Admiral CT outperforms competitors in buffering your body from the shock and vibration of driving, keeping the aches and pains away during your daily run.
- Our exclusive BackCycler® system is designed to help you maximize your uptime by reducing the strain and fatigue that back pain causes.

COMMANDING COMFORT

LONG HAUL

- BackCycler®, triple air lumbar, air bolsters, front and rear cushion tilt, thigh extension, long 9" track... All these adjustment points are standard on our Admiral and Commodore series seats to give you a personal fit and comfort. Plus the Admiral comes equipped with a swivel so you have a chair in your sleeper.
- The Admiral uses the same HP suspension as on the Commodore with an additional adjustable shock so you can fine tune your ride for your body.
- Running in those cold climates? The Admiral features a seat heater in the cushion & back with dual temp control to meet your needs

LONG HAUL PERFORMANCE

LONG HAUL \ REGIONAL

- The Commodore features the HP air suspension, known to deliver best-in-class road-vibration dampening to keep you running in comfort all day.
- The seat upper features our largest back and cushion, with optional 17" long arms for more room to get comfortable and provide support you need.
- Our exclusive BackCycler® system delivers continuous movement to ward off stiff backs and pain, letting you step out of the cab fresh and ready to enjoy time off the road.

PREMIUM

with BackCycler®

PREMIUM FLEET

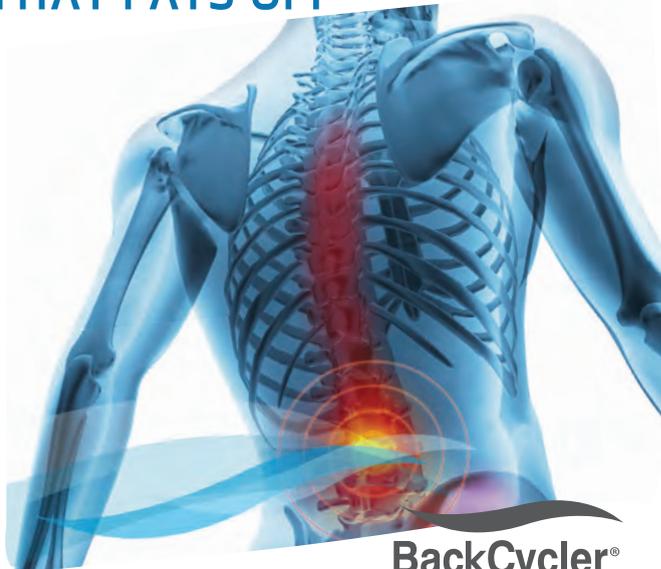

LONG HAUL \ REGIONAL

- The Premium features the dependable 95 suspension with ergonomically designed seat upper - a winning combination developed from a study of over 2,000 drivers.
- A long list of adjustments are found on the Premium, such as triple air lumbar, air bolsters, seat tilt, and thigh extension to ensure you can get the right fit. All this plus our exclusive BackCycler® which cyclically inflates and deflates to relieve back pain caused by sitting still on those long drives.
- Not only does the Premium step up the comfort, but it also delivers it with enhanced trim options that ensure it looks as good as it feels.

ENSIGN

SIMPLE DURABLE

LOCAL

- The Ensign is built on the most popular truck seat structure with millions of miles and decades of real world use, ensuring you have high uptime. Available as a hi, mid or lo-back seat.
- Ergonomic seat upper with a non-isolating model 95 suspension gives effective vibration buffering comfort enabling you to focus on the job at hand.
- Adjustable recline, track position, and thigh extension provide simple position adjustments for those multi-driver vehicles.
