

REFUSE SEAT

with Air Suspension and Air Lumbar

WATER RESISTANT

STAIN RESISTANT

SHOWN: HI-BACK

THE REFUSE SEAT OF CHOICE

The **Refuse Seat** offers a better comfort choice for waste management professionals. Its key adjustment features, such as air suspension and continuous recline, provide exceptional comfort.

The **Refuse Seat's** air lumbar provides a body-conforming range of support versus the mechanical lumbar that competitors offer.

The **Refuse Seat** also gives you better durability with water and stain repellent trim material and a sealed cushion. These allow you to keep your seat looking newer longer.

BUILT TO LAST

Extensive testing and real-world use has yielded a durable seat which delivers unparalleled comfort to the driver.
