Product Specification

Model No. RVSCC77130SS

Ruggedized Stainless Steel High Performance Color Camera

The high performance Rear View Systems RVSCC77130SS stainless steel camera delivers a sharp wide-angle image to the driver and provides outstanding visibility. Our 10 (High Intensity) infra-red LED's are twice as powerful as most cameras on the market. The RVSCC77130SS can also be cleaned with a pressure washer, and steamed cleaned with the design of the heavy duty gaskets. This camera has a IP69K rating which means it is submersible and waterproof under severe conditions. Includes stainless steel bracket and mounting hardware and a 5 Year Warranty.

RVSCC77SS
