

**NEW**

# ALL-MAKES WIPER MOTORS

Introducing the new range of All-Makes Wiper Motors from Sprague Devices. Our range of motors are OE quality and are designed to ensure that you won't lose any of your original wiper system functionality. Installation couldn't be easier. Each motor features a connector and mounting interface for fitment to most major domestic truck makes and models (see listing below). Sprague is the name you can trust with a reputation for delivering innovative solutions for more than 80 years.

**FROM THE BRAND YOU CAN TRUST**

# EASY TO FIT, PREMIUM OE QUALITY WIPER MOTORS FROM THE BRAND YOU CAN TRUST!

## Features

- Premium OE Quality - durability to SAE J198 standard
- Easy fit - connector and installation hardware\* included
- Retain your vehicles existing wiper functionality and configuration
- Self-resetting circuit breaker to protect the motor against stall loads (such as if the wipers are frozen to the glass and unable to move)
- Electro-Magnetic Interference (EMI) suppression
- Find the correct wiper motor for your application below!
