

CMS-T332 Line

PORTABLE CHANGEABLE MESSAGE SIGN

Line Matrix - 21 pixels x 50 pixels

CATALOG NO:
AMS30065249

GENERAL SPECIFICATIONS

The CMS-T332 from American Signal Company represents the latest advances in ALL-LED sign and highway safety technology. The CMS-T332 combines our SOLR Primary Power Supply with our high quality trailer assembly to give you the lowest cost and most effective portable/changeable message sign today.

American Signal Company's CMS-T332 is a trailer mounted, full size, three line, programmable changeable message sign utilizing LED display technology, designed with solar charging as the primary battery supply. Optionally, the CMS-T332 may be remotely operable and/or interfaced with radar for use with any motorist notifications and traffic calming applications.
